

WI CLUB DINING OUT

Groups get together once a month.

Groups will typically consist of 8 – 10 people

Here is how it works:

- I will choose who will be the first hosts
- The host sends out an email to their diners with a few dates that will work for them
- Once you agree on a date, the host will pick the place (restaurant) and time
- After dinner the group goes to the host's home for dessert and friendly conversation
- Most important – BRING YOUR CALENDARS to the first dinner!! At that event you will choose the remaining dates and who will be the host for the remaining months.
- Couples please sign up together with both names but submit only one email address.
